## Art in Action

Get a little messy with hands-on art experiences that involve active exploration. This program incorporates your child's need for activity with the natural need of creativity. Get ready to move and create!

## Become a Pirate

Arggh! Make your own hook to wear on your hand, paint a mustache on your face, then play with our Pirate and Pixies exhibit with your new look!

## Build Your Own Emerald City

You are the designer of your own Emerald City. Use our cardboard, paper and of course the color green to create your own cityscape to take home!

## Clay Play (\$3)

Make a pinch pot, dish or creation of your own out of our air dry clay, tools and paints to take home. Purchase a project ticket at the front desk and drop in for clay play!

## Exploding Treasure Chests

Join us for this program where science meets treasure! Learn about the chemical reaction that happens between baking soda and vinegar as you try to search for the prize inside your "treasure chest."

## Gold Quest

The quest for gold stops here! Join us in the Imagination Station for free play with our golden play dough and other treasures to make prints and create your own treasures.

## Leprechaun Lab

The leprechauns are up to their antics again! Join us for some magical science experiments inspired by the world's tiniest scientists. Who knows? You might just spot a leprechaun while you're here!

## Make a Fairy House

Create a fairy house made out of recycled materials to hang in your home or garden to attract fairies and pixies to guard your home and bring you luck!

## Make a Rainbow- Color Mixing

Experiment with mixing your own colors in color trays. There are endless shades of colors over the rainbow! What new colors will you create?

## Paint a Treasure Chest (\$3)

Use our acrylic paints and other add-ons to create your own cardboard treasure chest with working clasp to take home to keep all of your special treasures in.

# Program Descriptions

## Painting & Pizza (pre-registered)

Drop off your little artists for a night of painting with a break for PIZZA. During this 2-hour program, your child will create a spring bunny on canvas. Parents are welcome to take the class along with children, but all participants must pay full price and be registered. Recommended for ages 6-12.

**Full Members \$20/ No Frills-Non Members \$25**

Register at [www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org) to reserve your spot. Space is limited. Museum play not included. No refunds.

## Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

## Pirate BINGO

Ahoy! Come play a game of Pirate BINGO with us and try your luck at winning some prizes!

## Pirate Science Saturday

Arggh! Avast ye mateys! Join us for a morning of science inspired by pirates. Whether it be the sailing the high seas, making maps or fending off scurvy, pirates were scientists in their own time. Take part in hands-on science stations that the whole family will "walk the plank" over!

## Pixie Jewelry

Design your own jewelry inspired by fairies that will bring you good luck!

## Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

## Sunken Treasure Discovery Bottles

Create your own discovery bottle with sand, treasures, seashells and water. Then tip your bottle over and see your underwater treasures float and move. This is a program fit for pirate! Arggh!

## Unsinkable Ships

Ships are buoyant and the preferred mode of transportation for pirates. Take this engineering challenge and construct the given materials into a buoyant ship. Will your ship be able to hold a pack of pirates without sinking?

## Vision Day sponsored by United Healthcare

Do you know why sunglasses are important for your eyes? Learn the answer to that question, along with many more fun facts and education all about your amazing EYES! **Join Dr. Schuster from Tower Clock Eye Center** for vision screenings too! Speak to professionals and learn about how the eye works.

## Wind Tube Workshop

The whirl of the wind is an amazing force that Dorothy Gale knows of first hand! Experiment with air flow by creating flying contraptions and observing how they move with the wind.

## Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

## Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.

## World Water Day with NEW Water

Join NEW Water to gear up for World Water Day! Drop into the Imagination Station to experiment with sinking and floating, as well as interacting with their interactive toilet display.
