# Program Descriptions

## Art in Action

Drop into the Imagination Station to take part in a hands-on art experience that will be physically active in some way. Action art incorporates a child's natural need for activity with the important need for creativity. The process is what is most important, but you will have a cool product to take home with you too.

## The Bunny Bop

Join us for a bright and bunny morning in the Imagination Station. Bunny crafts and music will put you in the mood for the upcoming holiday.

## Critter Corner with the Bay Beach Wildlife Sanctuary

Join the Bay Beach Wildlife Sanctuary as they have an interactive story time with a real live animal to meet! Ask questions and discover wildlife in the museum.

## Dino BINGO

Rawr! Stomp into the Imagination Station to play a round of BINGO featuring your favorite prehistoric animals. Play for prizes. It will be dino-tastic!

## Dino Eggs-cavating

Join us for STEM exploration as you see the chemical reaction that happens between baking soda and vinegar while you "eggs-cavate" for a tiny dino inside an egg.

## The Healthy Hop sponsored by United Healthcare

United Healthcare is here for a morning of nutrition and fun! Grab a passport and "hop" through our stations as you learn about healthy eating choices through hands-on activities. Complete all stations and receive a prize. Our veggie-loving Easter Bunny will be there as well, so make sure to bring your camera.

## Homeschool Day

We are opening our doors exclusively for homeschool families! Join us for a morning of play-based learning. Plus, add on our Lego Spin Art class for an additional \$1. Members Free/Non-Members \$5 (if registered in advance)  
[www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org) or 920-432-4397).  
Sponsored by Wisconsin Virtual Academy.

## In the Zone

Inspire little learners and future innovators with a morning of "full S.T.E.A.M. ahead" activity zones! Limited to the first 50 children/ while supplies last. Complimentary with paid admission.

## Making Cents of Money with Preble FBLA

Join the FBLA Chapter from Preble High School with activities dealing with financial literacy and the importance of saving money. Children will make piggy banks, do money mazes and more. Plus, gather for a story time featuring the story, "Little Critter: Just Saving My Money" at 1:30pm. Coming to this program just makes "cents."

## Meet & Greet with the Easter Bunny

Hoppin' along the bunny trail... the Easter Bunny is stopping at the museum! Come and meet the big bunny himself ... and don't forget your camera. You won't want to forget this!

## Painting & Pizza

Drop off your little artists for an afternoon of painting with a break for PIZZA! During this 2-hour program, your child will create a spring bunny on canvas. Parents are welcome to take the class along with their children, but all participants must pay full price and be registered. Recommended for ages 6-12.

**Full Members \$20/ No-Frills & Non-Members \$25**  
Register at [www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org) to reserve your spot. Space is limited. Museum play not included. No refunds.

## Peep Printing

Peeps are not just a delicious treat. Come into the Imagination Station to make a beautiful piece of artwork by painting with marshmallow Peeps!

## Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

## Prank Science

It's the national day for jokes and hijinks. Come join us for some science experiments that are perfect for the prankster in all of us. These tricks will be sure to have you laughing and you just may learn a little too!

## Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

## Spring Into Art

It's time to get in the mood for spring! Drop into the Imagination Station and make a spring themed craft. Each Sunday will spotlight a new project!

## Super Science "Eggs"-periments

Drop into the Imagination Station for science experiments that you'll find "egg-citing"! Who knew eggs were so scientific?

## Super Small Science Saturday

We have BIG experiments for the smallest science just for you! Learn about why science in our world is so important at its smallest size with hands-on experiences. Visit science stations with "super small" science activities for the entire family. Complete all stations and receive a prize!

## Unbeatable Beaks

What's the best beak? Did you know that the type of beak a bird has relates to the types of food it eats and how it eats too? Get into the mind of a bird and test picking up different types of food with your own "beak." Discover which is the right beak for the job!

## Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

## Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.

## Egg-Venture (April 4- 30)

What came first...the dinosaur or the egg? Join us for an "eggs-tra" exhibit focused on dinosaurs and their eggs all month long! Take part in interactive activities and programs that center on the "egg-ceptional" world of eggs. It will be "egg-cellent"!
