Join us for...

**All Month LONG!**

## 4<sup>th</sup> of July Science

Boom! Fireworks are one of the best things about the 4<sup>th</sup> of July. Join us for some safe, hands-on science experiments that are inspired by fireworks. It'll be a BLAST!

## Animal Tracks Stamps

Our animal tracks stamp station will be in our Camp Out exhibit all day to learn about the animals of Wisconsin and make your own tracks.

## Camp Crafts

There is tons of inspiration for arts and crafts when you're camping. Join us each Tuesday and Thursday for a spotlight camp craft that highlights the things we love about camping.

## Camp Medallions

Drop into the Imagination Station to decorate your own camp medallion made from a real tree branch. **While supplies last.**

## Discovery Ramps

It's time to ramp it up! Explore STEM concepts such as force and motion with our wooden balls and ramps set. Learn the fundamentals of engineering and problem solving through this hands-on play!

## Fishing in the Neighborhood

Join the DNR for a fishing workshop on the City Deck. Gear will be available. Learn how to cast, identify fish and practice fishing safety. Drop in any time. It will be guaranteed "reel fun!"

## Fireworks Painting

Drop into the Imagination Station for different fireworks inspired art projects. Make a keepsake to take home for the upcoming holiday. It will be explosive fun!

## Hands-On Nature with Barkhausen

Join Barkhausen as they visit us at the museum with their hands-on nature station. Learn about the wildlife of Northeastern Wisconsin and visit with real naturalists.

## Night Sky Science

There's nothing better than staring at the night sky while camping. Drop into the Imagination Station and take part in science experiments that spotlight the stars and moon.

# Program Descriptions

## Open Streets

Join The Children's Museum of Green Bay on the City Deck in Bubble Alley. This activity is brought to you as a part of Open Streets sponsored by Aurora BayCare. For more information visit [www.openstreetsgreenbay.com](http://www.openstreetsgreenbay.com).

## Paper Tube Bird Feeders

Make your own bird feeder with a cardboard tube and real birdseed that you can take home to feed all of your feathered friends!

## Paint Your Own Birdhouse (\$3)

Buy a project ticket at our front desk to build an easy, wooden birdhouse that you can then paint and take home for the feathered friends in your yard!

## Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

## Play Day Yoga (requires fee)

Start your Thursdays off with a relaxing Yoga class while your children play! During this hour long class led by instructor Mandy Buntin of Flow Yoga Studio, you can relax and exercise in peace knowing your children are being supervised with a fun and educational craft, program or activity. Plus, you can stay to play after! **This program does require a fee. Please visit our website to learn more about pricing:**

\*Yoga mats not provided.

## Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

## Sun Science

The sun gives us life and energy! It's an important part of our solar system and one of our favorite parts about summertime. Join us for some spotlight science experiments that center on the SUN!

## Summer Camps (Registration required- ages 6-10)

**Yuckology Science Camp-** Icky, squishy, mushy and gushy! We are going to explore the three states of matter as well as the aspects of biology that make us go "yuck!" This camp is for kids who like to get messy and embrace the "gross" in the world.

**Ninja Lego Camp-** Grab your nunchucks as we prepare to fight crime. Fans of Lego Ninjago and Teenage Mutant Ninja Turtles will love this camp. Build motorized models and strengthen your ninjitsu skills. Imagination is required for this week of crime fighting.

**Expedition: ART Camp-** Pack your paintbrushes and explore the world through art! Join us as we travel the globe and create works of art inspired by cultures, landscapes and animals. From Australia to America, your journey will take you across the continents through the eyes of an artist.

**Pokémon Lego Camp-** Gotta catch 'em all! Calling all Pokémon fans... this camp is for you! Build your favorite Pokémon characters and construct technical models that move. It will be a camp that Ash would definitely approve of.

**\$120 per camp (Non-Member/ No-Frills Member)**

**\$100 per camp (Museum Members)**

**Register by calling 920-432-4397**

## Unbeatable Beaks

What's the best beak? Did you know that the type of beak a bird has relates to the types of food it eats and how it eats too? Get into the mind of a bird and test picking up different types of food with your own "beak." Discover what the right beak is for the job!

## Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

## Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.
