Programs can be subject to change.

Program Descriptions

Clay Play (\$3)

For just \$3, step inside our Imagination Station and make your own creation with our air-dry clay, tools and paints. Purchase an art project ticket at the front desk.

Camp Crafts

There is tons of inspiration for arts and crafts when you're camping. Join us for a spotlight camp craft that highlights the things we love about camping.

Critter Corner w/ Bay Beach Wildlife Sanctuary

Join the Bay Beach Wildlife Sanctuary as they have an interactive story time with a real live animal to meet! Ask questions and discover wildlife in the museum.

C.S.I. (Curious Scientific Investigators)

If you are a curious kid, this is the program for you! Take part in spotlight science experiments that will spark your curiosity. Drop by for investigations in activities such as Invisible Ink or Fingerprinting. Never underestimate the power of curiosity!

Discovery Ramps

It's time to ramp it up! Explore STEM concepts such as force and motion with our wooden balls and ramps set. Learn the fundamentals of engineering and problem solving through this hands-on play!

Explore Earth & Space

In collaboration with NASA and the NISE Network, engage in STEM stations focusing on earth and space in the museum. Learn about the sun, moon, atmosphere, and more through fun and hands-on activities that will get you ready for the solar eclipse on August 21.

Paper Bag STEM Challenge

Design a shelter to protect a UV bead caterpillar from the sun's harmful rays using only the materials given in your bag. What will you create?

"I Spy" Bottles

Do you love "I Spy?" Make your own version inside of a bottle with rice and other objects to take home.

"I Spy" Sunday

Do you love to play "I Spy?" Join us for a day of "I Spy" challenges in the museum. Take part in a visual game in our Imagination Station, take the Super Spy Challenge by spying items around the museum, and solve a mystery by spying hidden clues to crack a case. You'll spy a fun time with this program!

Master Agent Training

Calling all spy kids! We need you in training at M.A.T.H. (Master Agent Training Headquarters). Join our staff in our Super Spy Academy exhibit to fine tune your problem solving skills through puzzles and codes, scramble your voice, perfect your disguise, and create an alter ego. Do you have what it takes to be a Master Agent?

Paper Tube Birdfeeders

Make your own bird feeder with a cardboard tube and real birdseed that you can take home to feed all of your feathered friends!

Play Day Yoga (requires fee)

Start your Thursdays off with a relaxing Yoga class while your children play! During this hour-long class led by a certified yoga instructor, you can relax and exercise in peace knowing your children are being supervised with a fun and educational craft, program or activity. Plus, you can stay to play after! **This program does require a fee. Please visit our website to learn more about pricing: www.gbchildrensmuseum.org. *Yoga mats not provided.**

Painting & Pizza (pre-registered)

Drop off your little artists for a night of painting with a break for PIZZA! During this two-hour program, your child will create Beach Footprints on a canvas for décor or a gift for someone special. Parents are welcome to take the class with their children, but all of those participating must be registered and paid. **Members- \$20/ No-Frills & Non-Members \$25. Register on our website: www.gbchildrensmuseum.org**

Paint Your Own Birdhouse (\$3)

Buy a project ticket at our front desk to build an easy, wooden birdhouse that you can then paint and take home for the feathered friends in your yard!

Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

Summer Camps (Registration required- ages 6-10)

Pokémon LeGO Camp- Gotta catch 'em all! Calling all Pokémon lovers... this camp is just for you! Build your favorite characters and construct technical models that move. Take art projects home too! It will be a camp that Ash would definitely approve of.

Extreme STEAM Camp- Stimulate your curiosity with exciting activities centered on STEAM (science, technology, engineering, art, and math). All aboard for hands-on experiments and creative thinking!

Mining & Crafting Lego Camp- Experience the world of Minecraft with Lego bricks in this fun engineering camp. Start by crafting shelters and some of the mobs, critters and tools. Campers will face new challenges each day, building models and crafting key elements of the popular game.

\$120 per camp (Non-Member/ No-Frills Member)
\$100 per camp (Museum Members)

Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

Sun Science

The sun gives us life and energy! It's an important part of our solar system and one of our favorite parts about summertime. Join us for some spotlight science experiments that center on the SUN!

Superhero Science

Be a "Science Superhero" during this morning of super-powered science stations that the entire family will be charged up for! Complete all of the stations and receive a superhero prize.

Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.
