## Art Exploration

Get a little messy interactive experiences that involve hands-on exploration. This program incorporates your child's need for activity with the natural need of creativity. Get ready to explore and create!

## Bunny Bop

Join us for a bright and "bunny" morning in the Imagination Station! Bunny crafts and music will put you in the mood for the upcoming holiday.

## Circus Science Saturday

Do circus acts really involve science? Yes! Step right up to our science experiments with a circus twist. Circus acts involve optical illusions, magic, balance, gravity, and more. Come see how circus performers are also scientists with hands-on experiments.

## Clay Play (\$3)

Make a pinch pot, dish or creation of your own out of our air dry clay, tools and paints to take home. Purchase a project ticket at the front desk and drop in for clay play!

## Clowning Around

Did you know that clowns actually go to Clown College to learn their craft? Clowns have always been an essential part of the circus and now we have a mini clown course for you. Drop into the Imagination Station to paint your face, make a clown collar, and learn a funny trick!

## Discovery Ramps

It's time to ramp it up! Explore STEM concepts such as force and motion with our wooden balls and ramps. Learn the fundamentals of engineering and problem solving through hands-on play.

## Elephant Fun

Elephants are the largest land animals and amazing creatures; so let's celebrate these extraordinary creatures! Join us for activities inspired by elephants. This program is promised to be BIG fun!

## The Healthy Hop

It's a morning of nutrition and fun! Hop through our stations as you learn about healthy choices through hands-on activities. Our veggie loving bunny will be there from 11-11:30am too, so don't forget your camera!

## Leprechaun Lab

The leprechauns are up to their antics again! Join us for some magical science experiments inspired by the world's tiniest scientists. Who knows? You might just spot a leprechaun while you're here!

# Program Descriptions

## Mommy & Me Play Day Yoga

Bring your children ages 5 and up and take an hour-long yoga class by a certified instructor with them while museum staff play with your children ages 2-5. Visit website for class pricing. Full Members are FREE. ([www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org))

## Paint Your Own Face

Costumes and make up are a major part of the circus. In this program, YOU are the make up artist! Paint your own face with our face paints and mirrors. What will you be? A clown? A cat? A snake? The possibilities are endless.

## Painting & Pizza (pre-registered)

Drop off your little artists for an afternoon of painting with a break for PIZZA. During this 2-hour program, your child will create bunny buddies on canvas. Parents are welcome to take the class along with children, but all participants must pay full price and be registered. Recommended for ages 6 and up. **Full Members \$20/ No Frills-Non Members \$25** Register at [www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org) to reserve your spot. Space is limited. Museum play not included. No refunds.

## Play Day Yoga

Take an hour-long yoga class by a certified instructor while museum staff play with your children! (Children must be at least 2 years old). Visit website for class pricing. Full Members are FREE. ([www.gbchildrensmuseum.org](http://www.gbchildrensmuseum.org))

## Pint-Sized Picassos

Paint a masterpiece in our Imagination Station! Open painting is available on our art easels.

## Read Week

Join our special guests from the community as they share their favorite story with you during an exclusive story time.

## Recycled Art Studio

Let your imagination run wild by creating and inventing. Use recycled items and our featured art supplies to make a real work of art.

## Ring Master Says

Join us for a game of "Ring Master Says." Follow our Ring Master's orders and learn circus tricks with our props. Now YOU are in the Center Ring.

## Science Magic

Join us in the Imagination Station for science experiments that are MAGICAL! Learn the science behind some tricks and take home knowledge to amaze your friends and family.

## Seussical Crafts

It's Dr. Seuss's birthday! Let's celebrate with some nonsensical crafts inspired by the stories of Dr. Seuss.

## Wee One Hour

Join us for thematic stories, songs, craft projects and activities tailored to our "wee ones" **ages 5 and under**. Meet in the Imagination Station for story time, followed by a craft.

## Wiggle, Move and Giggle

Dance, sing and move with your toddler. Join this playful program full of games, music and movement activities. Move and groove while learning about colors, shapes and numeracy. It's bound to get you and your toddler wiggling and giggling.

## Spring Break Lego® Mini Camps

### Superhero STEM Mini Camp

It's a bird, it's a plane, it's YOU... taking on supercharged STEM challenges and Lego® construction tasks. Explore the scientific aspects of superheroes and their powers through STEM (science, technology, engineering, and math). Do you have what it takes to be a STEM superhero?

**\$20 Non-Members & No Frills Members/  
\$15 Members.**
